67 The Globalist's Depopulation Plan

The Matrix Agent Smith: "Every mammal on this planet instinctively develops a natural equilibrium with the surrounding environment, but you humans do not. You move to an area and you multiply; until every natural resource is consumed. The only way you can survive is to spread to another area. There is another organism on this planet that follows the same pattern. Do you know what it is? A **virus(?)**. Human beings are a disease: a cancer of this planet; you are a plague, and we(?) are the cure."

Depopulation Agenda

Quick Elimination of Life

HAARP induced "natural" calamities, man-made plagues, human caused famines and droughts, abortion

Slow Elimination of Life

Cancer, Aids, vaccinations, chemtrails, GMO foods

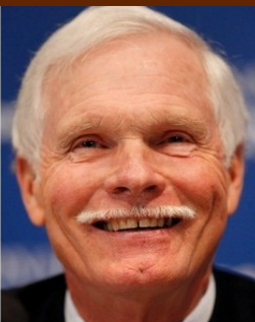

Prevention of Life

Oestradiol and BPA in water supply, HCG in vaccinations distributed to third world countries, Xenoestrogens in beauty and hygiene products

"The present vast over population, now far beyond the world carrying capacity cannot be answered by future reductions in the birth rate due to contraception, sterilization and abortion, but must be met in the present by the **reduction in the numbers presently existing.** This must be done by whatever means necessary."

United Nations Eco 92 Earth Charter

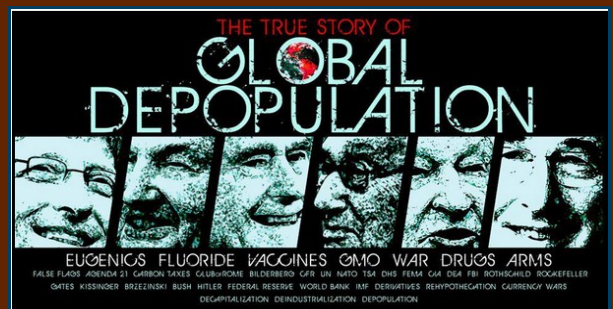

AWAKEN

A total population of 250-300 million people, a 95% decline from present levels, would be ideal.

“Stand and Deliver”

Eric Clapton Lyrics

"Stand And Deliver"

Stand and deliver
You let them put the fear on you
Stand and deliver
But not a word you heard was true
But if there's nothing you can say
There may be nothing you can do

Do you wanna be a free man
Or do you wanna be a slave?
Do you wanna be a free man
Or do you wanna be a slave?
Do you wanna wear these chains
Until you're lying in the grave?

I don't wanna be a pauper
And I don't wanna be a prince
I don't wanna be a pauper
And I don't wanna be a prince
I just wanna do my job
Playing the blues for my friends

Magna Carta, Bill of Rights
The constitution, what's it worth?
You know they're gonna grind us down, ah
Until it really hurts
Is this a sovereign nation
Or just a police state?
You better look out, people
Before it gets too late

D'you wanna be your own driver
Or keep on flogging a dead horse?
D'you wanna be your own driver
Or keep on flogging a dead horse?
Do you wanna make it better
Or do you wanna make it worse?

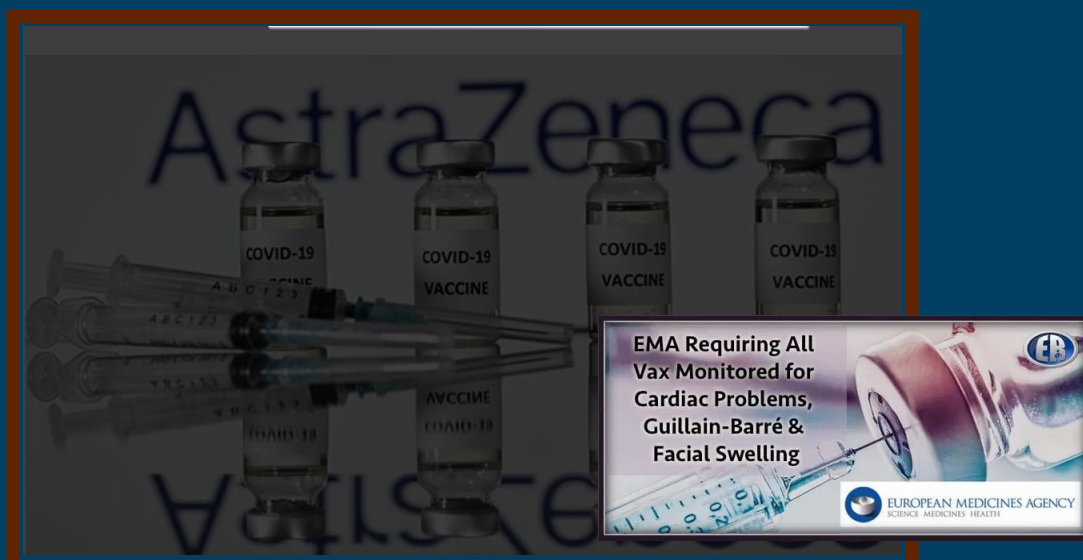

Stand and deliver
You let them put the fear on you
Sold down the river
But not a word of it was true
If there's nothing you can say
There may be nothing you can do

Stand and deliver
Stand and deliver

The 76-year-old artist shared his thoughts about COVID last year in his anti-lockdown track "Stand and Deliver" with Van Morrison. But after receiving both jabs of the AstraZeneca vaccine, the Rock and Roll Hall of Famer blamed the "propaganda" about vaccines in a lengthy critique about his experience that Italian architect and film producer Robin Monotti Graziadei shared on the Telegram messaging app.
