## The Law and Preparing for War

I know it is difficult, when the sun is shining, and seeing loved-ones, or Gad-ding-about your business, to come to terms with the fact that things are not going to continue as they are, indefinitely, and that you need to be preparing for WW3.

But, whether you like it or not, sooner or later and probably sooner than later, WW3 IS coming, and you NEED to be preparing for it NOW. He who fails to prepare, is preparing to fail. We are in The Times of Noah again, and you all know what happened to everyone who disbelieved Noah, and failed to prepare.

How can we be certain that WW3 is on the horizon – because the Bible Prophecies tell us so, and the Apostle Simon Peter told you that is the very best source of certainty.

**2 Peter 1:17** For he received from God the Father honour and glory, when there came such a voice to him from the excellent glory ("Cloud"), This is My beloved Son, in whom I am well pleased.

**1 Peter 1:18** And this voice which came from heaven we heard, when we were with him in the holy mount.

**1 Peter 1:19** We have also the more SURE word of Prophecy; whereunto ye do well that ye TAKE HEED, as unto a Light that shineth in a dark place, until the Day dawn, and the Morning Star arise in your hearts:

Also, the Zionist, Masonic Globalists have been planning WW3 since the 1800s, as attested to by Luciferian / Satanist, Brigadier General Albert Pike, Grand Commander of North American Freemasonry, in his book: “Morals and Dogma”.

There is NO Law against having a weapon, quite the contrary, only against misusing it. The Law that the British monarch swears to maintain to the UTMOST of their power, at their coronation, states that every man must have a weapon (Num. 1:20; Deut. 1:41; 3:18), contrary to fraudulent man-made legislation (Deut. 4:2; 12:32).

Over generations the traitorous British politicians have colluded to disarm you, castrate and feminize you and leave you defenceless against your enemies, using their fraudulent legislation, whilst you can be shot at in BGTW by armed Maritime Guardia Civil invaders, and are unable to shoot back, using your God-given right to self-defence.

**Luke 11:21** When a strong man ARMED keepeth his castle, his goods are in peace:

**Luke 11:22** But when a stronger than he shall come upon him, and overcome him, he taketh from him all his weapons wherein he trusted, and divideth his spoils.

**Luke 22:36** Then said he unto them, But now, he that hath a purse, let him take [it], and likewise [his] scrip: and he that hath no SWORD (gun today), let him sell his garment, and buy one.

Every man, in prosperous, peace-loving Switzerland has a state-provided military-grade rifle and ammunition in his home, by law, and is trained in its use, and the mighty German Army did not invade little Switzerland during WW2, just as the Japanese did not invade the USA, because, to quote Fleet Admiral Isoruko Yamamoto, Commander-in-Chief of the Imperial Japanese Navy, “There would be a rifle behind every blade of grass.”

You NEED to train and equip every male of 20 years old and upward, with a military-grade rifle and ammunition, and the best shots with sniper-rifles, to **deter** or repel invaders, and defend Gibraltar.

The Maritime Guardia Civil act tough, like bullies, shooting at unarmed people, and ramming their boats. Let's see how brave they are against people armed with selective-fire rifles, and RPGs.

You NEED to use the Sabbath, which is Friday sunset to Saturday sunset, NOT Sunday, or Friday, as God intended, to study and learn The Law that was given to you to protect you from evil, and poverty, and teach it to your children, and abolish all the fraudulent legislation that is used to impoverish, control and enslave you.

There are none so hopelessly enslaved, as those who falsely believe they are free – *Johann Wolfgang von Goethe*.

Christianity falsely teaches that the Sabbath is Sunday, the day of pagan Sun-Worship, just as the Muslim imams wrongly teach that Friday is the Sabbath, because they misinterpret the Koran, which states that Friday is the Day of Gathering, not to pray, but to prepare for the Sabbath, which starts at sunset on Friday.

If you wait until the war starts, it will be too late to prepare for it, so, you NEED to prepare NOW.

Every square inch of ground, including all gardens, flower-beds and window-boxes, need to be converted to growing food, as soon as possible, and start stock-piling food.

If you think, because the USA has just elected Donald Trump, who wants to be friends with Russia, that WW3 won't happen, if THEY don't assassinate him, like JFK and Abe Lincoln, you are most definitely wrong. His election may just delay it long enough for you to prepare for it, but it is coming, as sure as eggs are eggs, and the Muslim prophecies state that it will start in Damascus, in Syria.

Be warned: return to The Law and start preparing TODAY. If you refuse to obey all legislation and abolish it, and return to The Law of Moses, God will protect you, as He has promised under The Covenant, in the Torah, as the USA and UK are defeated, as punishment for NOT keeping it, as is also prophesied.

I am here to warn and **HELP** you, not frighten you unnecessarily, but you **MUST** take this warning **SERIOUSLY** and **ACT** upon it. Your lives depend on it – (Malachi chapter 4).

**Christ – King of Gibraltar,**  
**a.k.a. Archangel Prince Michael,**  
**Commander in Chief of the Heavenly Host,** incarnated (Revelation/ Apocalypse 12:7-8; Daniel 12:1).

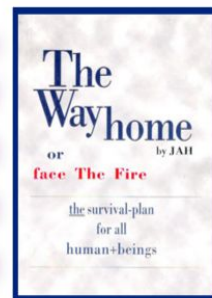

**Revelation/Apocalypse 12:7** And there was war in heaven: Michael and his angels fought against the dragon (Lucifer); and the dragon fought and his angels,

**Revelation/Apocalypse 12:8** And prevailed not; neither was their place found any more in heaven.

**Daniel 12:1** And at that time shall Michael [the Archangel] stand up, the Great Prince which standeth for the children of thy people: and there shall be a time of trouble, such as never was since there was a nation [even] to that same time: and at that time thy people shall be delivered, every one that shall be found written in the Book [of Life].

Madrid will always want Gibraltar. Is Gibraltar prepared?
